Note :- The reason for notification of this Act is that the Child and Youth Development Promotion Act, B.E. 2521 (1978) has been enforced for a long period of time. It is thus appropriate to set the guideline and improvement on the method of promoting Child and Youth development to be appropriate and consistent to current social situation. There is a requirement for an establishment of *Changwat's* Child and Youth center, Child and Youth Council, to enable and enhance the Child and Youth promotion and development. Also, the private organisation and local administration can participate in the Child and Youth promotion and development. It is therefore necessary to enact this Act.
